To Education Service Center and District Staff Members:

This communication is to inform you of the following upcoming activities for the 2022–2023 Texas Assessment Program.

### **STAAR RELEASED TESTS**

Released versions of the 2022 State of Texas Assessments of Academic Readiness (STAAR®) are now available in the Test Delivery System (TDS) Student Practice Site. PDF copies of the 2022 STAAR tests will be posted on the Texas Education Agency website soon.

### **TRAINING OPPORTUNITIES**

The following training presentations will be posted in the Learning Management System (LMS) this Friday, August 19.

- The Test Information Distribution Engine (TIDE)
- TIDE Enhancements for the 2022–2023 School Year

### **SYSTEM UPDATES**

As a reminder, TIDE, TDS, and the Centralized Reporting System (CRS) will be offline August 15–21, 2022, to complete a system rollover for the 2022–2023 school year. All systems will be back online on Monday, August 22, 2022.

Although TDS will be unavailable for users to log in, practice tests will be accessible in guest mode.
