

From: [CAI Texas Testing Communication](#)
Subject: August 30, 2022, Upcoming Texas Assessment Program Activities
Date: Tuesday, August 30, 2022 10:32:14 AM

To the Education Service Center and District Staff Members Addressed:

This communication is to inform you of the following upcoming activities for the 2022–2023 Texas Assessment Program.

BEGINNING-OF-YEAR ASSESSMENTS

The test administration window for the optional Beginning-of-Year (BOY) assessments is August 30–October 21, 2022. Refer to the [Optional Beginning-of-Year Assessments](#) webpage for more information and resources, as well as a BOY Assessments Overview training available in the [Learning Management System](#) (LMS). Student results, including the confidential campus rosters, district and campus summary reports, and student data files, will be available in the Centralized Reporting System (CRS).

TEXAS FORMATIVE ASSESSMENT RESOURCE

-
The test administration window for the Texas Formative Assessment Resource (TFAR) opens on August 30, 2022. The first units available will be for reading language arts (RLA) and mathematics, with additional units being added throughout the year. Refer to the [Texas Formative Assessment Resource](#) webpage for more information, as well as a Sharing Content in TFAR training available in LMS. Student results will be available in CRS.

DISTRICT AND CAMPUS COORDINATOR RESOURCES

-
The [District and Campus Coordinator Resources \(DCCR\)](#) for the 2022–2023 school year is now available. A few sections are still under construction and districts will be notified in upcoming communications when these additional sections are made available.

APRIL AND MAY 2022 STAAR ADMINISTRATIONS

-
Updated data files and student report cards (SRCs) for the April and May 2022 State of Texas Assessments of Academic Readiness (STAAR®) administrations will be delivered to the Test Information Distribution Engine (TIDE) secure inboxes on Thursday, September 1, 2022. These files reflect changes made after the final files were delivered, including any paper materials scanned and scored late. Data in these files will be updated in the Family Portal but are not reflected in the state accountability information.

JUNE 2022 STAAR ADMINISTRATION

-
Final data files, standard reports, and updated SRCs for the June 2022 STAAR administration will be delivered to district testing coordinators' secure TIDE inboxes on Monday, August 29, 2022.

-
