To Education Service Center and District Testing Coordinators:

The Consolidated Accountability File (CAF) has been posted to the secure Test Information Distribution Engine (TIDE) inbox.

The CAF combines all State of Texas Assessments of Academic Readiness (STAAR®), STAAR Spanish, STAAR Alternate 2, Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate data within the current accountability year into one record for a student. The record also includes data for the student for any assessments within the previous accountability year. Records for which a student cannot be assigned a Texas Student Data System (TSDS) ID are not combined with data from another reporting administration. Conflicting data for a grade 3–8 subject, end-of-course (EOC), TELPAS, or TELPAS Alternate assessment within a reporting administration are not combined with other testing data for a student.

District level files are named : DF_22_nnnnnn_Accountability_V02_mmddyyyy.zip

Where nnnnnn is the district ID.

Region level files are named: RF_22_Regionnn_Accountability_V02_mmddyyyy.zip

Where nn is the Region ID.

The data file layout, describing each field found in the CAF, is available on [TexasAssessment.gov](https://www.texasassessment.gov).
