

**From:** [CAI Texas Testing Communication](#)  
**Subject:** Updated STAAR Grades 3–5 Test Administrator Manual  
**Date:** Friday, February 4, 2022 2:04:17 PM

---

To the Education Service Center and District Testing Coordinator Addressed:

This communication is to notify you of two updates to the *2021–2022 State of Texas Assessments of Academic Readiness (STAAR®) Grades 3–5 Test Administrator Manual*.

1. Deleted information in the Paper Administration Directions for STAAR Spanish Mathematics, Reading, and Science section on page 56: The information below does not apply to the 2021–2022 school year and has been removed in the online version of the manual. Please ensure that test administrators are aware of this.

*For any student who does not complete a STAAR assessment within two hours, indicate this by marking “0” in column A of the AGENCY USE field on the answer document. (For multiple-subject answer documents, use column A if the student needs more than two hours on the mathematics test and column B if the student needs more than two hours on the reading test.)*

2. Replaced chart in Appendix B: Online Tools (STAAR Spanish): The online tools presented in the chart in Appendix B have been updated to match their appearance in the Test Delivery System (TDS). The STAAR Spanish Online Tools chart has been replaced in the online version of the manual, and a separate PDF of the [STAAR Spanish Online Tools Chart](#) is available in the *District and Campus Coordinator Resources* to print out for the paper manual.

For questions or assistance regarding the information in this communication, contact Texas Testing Support at 833-601-8821, [TexasTestingSupport@cambiumassessment.com](mailto:TexasTestingSupport@cambiumassessment.com), or via [live chat at TexasAssessment.gov](#).
