Subject: June 2022 STAAR End of Course (EOC) Administrations Reports
Date: Tuesday, August 2, 2022 11:53:02 AM

To the Superintendent, Education Service Center (ESC) Director, and ESC and District Testing Coordinator Addressed:

This communication is to inform you of the availability of preliminary reports for the June 2022 State of Texas Assessments of Academic Readiness (STAAR®) end-of-course (EOC) assessments.

STANDARD AND ADDITIONAL REPORTS (FOR DISTRICT USERS)

Preliminary reports for the June STAAR administration are now posted for your district in the Test Information Distribution Engine (TIDE) inbox. The STAAR Report Cards, rosters, summary reports, and data files posted can be accessed by the district coordinator. Reports posted in the secure inbox will be available for 90 days.

For the June 2022 administration, item level data is not included in the posted student data files. As a result, Student Data Requests (SDR) for the June 2022 administration will not include item level data.

Printed copies of the Confidential Student Labels are being shipped to your district and will arrive **August 2–5, 2022**, unless your district opted out of receiving the labels. Districts will **NOT** receive printed copies of STAAR Report Cards for the June 2022 administration.

Results for these administrations will be posted to the Family Portal by **August 5, 2022**, for parents and students to view. Secure access to the Family Portal is available for families from the [Texas Assessment homepage](#) by entering the student access code. For the June 2022 STAAR administration, the Family Portal will display student results only.

REGION REPORTS (FOR REGION USERS)

Region reports for the June 2022 STAAR administration are now posted in your TIDE Inbox.

DATA CORRECTIONS

-
Districts can resolve student information and submit score code changes for the June 2022 STAAR administration from **August 2–5, 2022**. Changes submitted during this window will be reflected in updated reports that will be provided on August 29, 2022. Any updates made after this window will be included in scheduled updates and will not be reflected in reports used for accountability.

- Resolve student information – the spelling of a student’s name, the student’s date of birth, and student’s gender can be updated through the *View/Edit/Export Student, Upload Student Information* module in TIDE by the district or campus coordinator.
- If a student is not reported in the correct district or campus, the district coordinator should contact [Texas Testing Support](#) to update the information.

- Score code changes – to submit a score code change, districts should select the “Change Score Code” option under Request Type in the *Appeals/Score Codes* module in TIDE.
- Rescore appeals – district testing coordinators can request a rescore of the English I or English II assessment constructed response item. Districts can submit the rescore appeal in the *Appeals/Score Codes* module in TIDE. Districts will be invoiced \$50.00 per rescore if the score does not change. Districts should submit a Purchase Order in the comments with the appeal for invoicing by Pearson.
- Test discrepancies – if a student is reported in your data file with a discrepancy indicator 1 – student not found, or discrepancy indicator 3 – duplicate record, districts can resolve discrepancies in the *Discrepancy Resolution System* in TIDE.
