

From: [CAI Texas Testing Communication](#)
Subject: March 3, 2022, Upcoming Texas Assessment Program Activities
Date: Thursday, March 3, 2022 12:13:37 PM

To the Education Service Center and District Testing Coordinator Addressed:

This communication is to inform you of the following upcoming activities for the 2021–2022 Texas Assessment Program.

PEIMS DATA UPDATE

Student information in the Test Information Distribution Engine (TIDE) has been updated with the most recent Public Education Information Management System (PEIMS) file upload. The PEIMS data was used only to update fields where data was missing or blank in TIDE. It was not used to register students.

STAAR ALTERNATE 2 MATERIALS

Test materials for the spring 2022 State of Texas Assessments of Academic Readiness (STAAR®) Alternate 2 administration are scheduled to arrive in districts March 7–11, 2022. Materials are being packed and shipped to districts daily through March 11. As soon as materials are shipped, district coordinators will receive security checklists and materials lists through their secure TIDE inbox. This information will be posted to TIDE inboxes beginning **Friday, March 4, 2022**.

For questions or assistance regarding the information in this communication or for shipment tracking information, contact Texas Testing Support at 833-601-8821, TexasTestingSupport@cambiumassessment.com, or via [live chat at TexasAssessment.gov](#).
