To the Education Service Center and District Staff Members Addressed:

This communication is to inform you of the following upcoming activities for the 2021–2022 Texas Assessment Program.

SPRING 2022 TELPAS AND TELPAS ALTERNATE REMINDER

The testing windows for the Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate administrations close on Friday, April 1, 2022. All TELPAS online tests should be completed, and all student ratings and responses for TELPAS and TELPAS Alternate should be entered into the Data Entry Interface (DEI) and verified as complete by **11:59 p.m. (CT) on Friday, April 1.**

For students who moved to another district during the administration window, the sending district should provide either rating(s) and rater information (if the student was rated) or the applicable score code (if the student was not rated). The receiving district needs this information to enter either the rating and rater information into DEI or the score code into the Test Information Distribution Engine (TIDE).
