

2023-2024 Test Administration

Additional Fields Upload File Format

Overview

Modifications to student demographics and attributes may be performed via a file upload. The Additional Fields Upload File may be used to set or update values for defined fields. Each row within the template modifies a single value for a student. Multiple rows may be used to modify multiple values for the same student.

Texas Statewide Assessments**2023-2024 Layout for Additional Fields Upload File –**
