

From: [CAI Texas Testing Communication](#)
Subject: August 28, 2023, Upcoming Texas Assessment Program Activities
Date: Monday, August 28, 2023 2:40:24 PM

To the Education Service Center and District Staff Members Addressed:

This communication is to inform you of the following upcoming activities for the Texas Assessment Program.

SPRING 2023 ADMINISTRATIONS

- Constructed response scoring guides for the spring 2023 State of Texas Assessments of Academic Readiness (STAAR®) administration are now available. Scoring guides can be found on the content-area pages linked on the [STAAR Resources](#) webpage.
- Statewide item analysis reports for the spring 2023 STAAR, STAAR Alternate 2, and the Texas English Language Proficiency Assessment System (TELPAS) administrations are now available from the [Student Assessment Division](#) webpage. These reports show the item number, the reporting category measured by the item, and the percentage of students selecting each possible answer for that item.
- Starting on **August 30, 2023**, districts that did not opt out will receive printed confidential student labels, and districts that opted in will receive printed copies of Student Report Cards for the spring 2023 STAAR administration.

ANNUAL SYSTEM ROLLOVER

All online systems for the Texas Assessment Program are now available. Superintendent and district testing coordinator roles in the Test Information Distribution Engine (TIDE) have been updated to match those listed in AskTED. All users with an existing account must create a new password when logging in to TIDE for the first time this school year. Users with a new role must have their role updated to ensure that they have appropriate access to the system functionality needed for their assigned role. Refer to the [TIDE User Guide](#) for more information about logging in to the system for the first time and creating or editing user accounts.

DISTRICT AND CAMPUS COORDINATOR RESOURCES

The [District and Campus Coordinator Resources](#) for the 2023–2024 school year are now available. A few sections continue to be under construction, and districts will be notified in upcoming communications when these additional sections are made available.

For questions or assistance regarding the information in this communication, contact Texas Testing Support at 833-601-8821, TexasTestingSupport@cambiumassessment.com, or [TexasAssessment.gov](#) [via live chat](#).
